/WORKEXPERIENCE

>> **Catalina Embroideries, Inc**

>> **Sprint Asia**

From warehouses to offices and deliveries, I've embraced it all.
Diverse experiences, endless growth.

>>> **Margie's Computer Shop**

Catalina Embroideries, Inc. | 2019

I was a helper there, I lift heavy stuff and put it where they want me to put it and just follow what they want me to do. I also worked as a computer shop "manager", manager because I was the one who managed the computer shop. I also encode handwritten text to word/doc text there because aunty has daughters.
